Certificate IV in Training and Assessment upgrade

This course has been created for training professionals who already have the previous Certificate IV in Assessment and Workplace Training BSZ40198 qualification, and wish to upgrade to the new TAA40104 qualification. Your previous qualification can be reviewed as part of an RPL assessment towards the TAA qualification.

In summary, the TAA4010 qualification is composed of 14 units in total, of which 6 units are covered by credit transfer from your existing qualification. Of the 8 remaining units, two have partial equivalence with the BSZ40198, and so require less assessment.

WHAT WILL YOU ACHIEVE FROM THIS COURSE?

Completing the AOT bridging course will ensure your qualification meets the new industry standard.

HOW TO GAIN YOUR QUALIFICATION FASTER

Recognition of Prior learning (RPL) is “the acknowledgement of the skills and knowledge” that you have gained through previous studies, work and life experiences. If RPL is granted, this will mean that you will not have to complete the study or assessments for a unit or units of competency.
